PRELUDE

I. The College Profile

Post Graduate Government College-46 is a premier institution of higher learning in the city beautiful, Chandigarh. Though it is just over three decades old, it has made rapid strides in academic excellence, both qualitatively and quantitatively. It is an institute where talents are honed, personal achievement and excellence are encouraged, and leadership qualities are nurtured.

The College was established by the government through affiliation with Panjab University as a College for boys and became functional from July 13, 1982. At the outset, it was housed in a building of the Govt. School, Sector 40, Chandigarh and later it was moved to its present spacious and sprawling new 11-acre campus in 1989. The foundation stone of the building was laid by the then Governor, Sh. S.S. Ray and the College morphed into a co-educational institute in the year 1992.

At first, the College offered basic courses in BA (Humanities) and B.Com. However, over the years it has added new courses and streams and leapt ahead with noticeable achievements. A UGC- sponsored vocational course in Advertising and Sales Promotion was added in 1997 followed by BBA in 1998, and topped with BCA and M.Com in 1999 and 2000 respectively, adding new dimensions to the College profile. This has ensured for it the title and status of 'Government Co-educational Postgraduate College'.

Evaluated by NAAC for Cycle-II accreditation with Grade 'A' and a CGPA Score of 3.14, in September 2015, this multi-faculty institution aims to provide inclusive education for inculcating human values,

professionalism and scientific temper and to establish a community of scholars actively pursuing the acquisition, creation and dissemination of knowledge. At the core of the College's educational philosophy, modern education and cultural heritage are complimentary and help the students' to become better citizens.

II. Vision and Mission

- The motto of the College 'Light is Life' ignites the fire within, aiming at a comprehensive and value-based learning system for academic excellence, development of skills, character building and the holistic development of the students.
- To provide quality education.
- To nurture team spirit and instill the sense of discipline and responsibility.
- To uphold and sustain the ideals, ethics and morality.
- To sensitize youth towards comprehensive social concerns, gender and environmental issues.
- To enrich the students with new ideas, concepts and debates for polishing the multi-faceted artistic abilities and learning.
- To bring forth mature and diligent citizens with pre-eminent qualities of head and heart and a sound grounding in history and culture.
- To prepare the students to face the outside challenging world.

ADMINISTRATION

The process of administering a large institution works through clear direction, proper execution of what is required to be done along with a fair play in the exercise of the powers and responsibilities. The College as an institution stands out markedly in this regard.

The College has enrolled 2470 students out of which 636 are girls and 1834 are boys. There are 57 members of the teaching staff out of which 32 are regular and 25 are on contract, all of whom are highly qualified and dedicated. The total number of sanctioned posts of teaching staff is 64 and that of non-teaching is 49. The library staff comprises of 11 members, 02 librarians, 04 restorers and 05 attendants. Ms. Deepshikha Gupta is the Dean, Dr. Shashi Wahi Khullar is the Vice-Principal and Dr. V. Magesh is the Bursar of the College. Mr. Jagdish Saini and Mr. Naresh Kumar Mahajan are the Superintendents of the College.

COURSES OFFERED

In its untiring quest for attaining excellence in education, the College has been working towards achieving its objectives as enshrined in its Vision and Mission. For us, each student is special and has the potential to excel in scores of special ways. The College offers undergraduate programmes in various disciplines such as Humanities (the students are offered a choice of 21 subjects in general and 06 subjects in Honours course), Commerce, Business Administration and Computer Applications. The College also offers a Post Graduate Course in Commerce that serves as a platform to study principles of accounting, money & banking systems, economic theory; provides knowledge about business, micro & macroeconomics, management, etc. and is also suitable for students who want to go for higher studies or do

research work in the area of statistics & other related areas. Thus, all the courses of study offered here, have been framed with an endeavour to give full attention to alternative possibilities and comprehensive intellectual discourse to its students on the campus.

INFRASTRUCTURE

Our institution takes pride in its unassailable reputation as regards its cutting-edge infrastructural facilities. Spread over 11-acres, the lush green campus of the College is an architectural marvel. Located in the south of the 'City Beautiful' it has the unique distinction of a great campus infrastructure in terms of:

I. CLASSROOMS

Our classrooms are aesthetically designed to inculcate a sense of discipline and induce high-quality learning. There are 09 lecture halls integrated with smart boards and well-furnished desks. With technological support, our skilled teachers provide guidance to each individual. The emphasis is on making every classroom session interesting plus interactive and thus the classrooms are designed to be compact.

II. THE COLLEGE LIBRARY

The College library supports the educational mission of the College with an unrelenting commitment to excellence. It acts as a locus of intellectual activity supporting the teaching, research and learning needs of the College. The library has been set up on a modernized platform. It caters to the intellectual as well as the general reading needs of its readers in an ideal and reader-friendly environment with the provision of an open access system. The library upgraded its

LIBSYS, library automation software with the latest version during the session 2018-19. Approximately, 250 readers visit the spacious, independent library block (926.97 sq. meter area) every day.

Inside the Library: The library offers space for reading, curiosity and research; space for collaboration and learning. The audio-visual section of the library displays current information on various aspects related to health, career, religion, amazing facts and stress-free examination, etc. and other ephemera for effective and efficient utilization. Furthermore, a clipping file is maintained in the library in which news clippings related to the College are gathered from a variety of local newspapers.

Library Collection: The library continues to evolve, grow and adapt to the changing needs of its users with a special focus on supplying individualized assistance on a one-to-one basis to a diverse clientele of students and faculty in their quest for the acquisition and integration of knowledge. During the session 2018-19, 1333 books worth Rs.511770/- (including the value of books gifted) were added. The College library boasts of a collection of 45377 books, including textbooks, general books, reference books and book bank; access to e-resources, including more e-journals and e-books) under the N-LIST programme; 11 Audio & Video CDs; 31 Journals; 56 Magazines;14 Newspapers; 13 Computers; 01 Server; 02 Printers (01 Colour Printer and 01 Printer-Scanner-Photocopier); 01 Photocopier Machine; 01 UPS with 08 batteries and 01 UPS with 06 batteries.

III. AUDITORIUM

The state-of-the-art auditorium of the College reflects, like everything else here, the commitment to provide students with the best of conveniences. This air-conditioned auditorium is equipped with a

full-fledged audio-visual system; a digital projection system and around a seating capacity to accommodate around 750 persons, the College auditorium is the stage for several significant programmes throughout the year.

IV. MULTIMEDIA HALL AND SEMINAR HALL

The fully air-conditioned Multimedia Hall can put up to 250 students and is regularly used for seminars, talks and lectures by external professionals. It has an LCD projector and is also used for screening film shows etc. The Seminar Hall, with its extensive meeting and conference space, offers unparalleled connectivity and is equipped with the best of the teaching and projection aids, they are a veritable visual treat.

V. ACADEMIC FACILITIES

Computer Laboratories: The College has three computer laboratories each with a capacity to accommodate 25-30 students. The networked systems are configured to allow individual internet access from all the computers. Students have extensive and free access to the internet for surfing as well as email.

Language Laboratory: There is a language laboratory that caters to the needs of the students of Functional English. The laboratory allows a teacher to listen to and manage student audio, which is delivered to individual students through headsets. It encourages communication-student-teacher as well as student-student, with activities and exercises essential to oral communication and the understanding of the language.

Geography Laboratories: The two geography labs play a pivotal role in enriching the geographical base of a student- a necessary part of learning that exposes students to full spectrum of disciplinary

subfields-physical and human. The labs are well equipped with a series of maps, topographic sheets and variety of survey equipments like tracing table, thermometers, barometer, magnetic compass, electric globe, anemometer, wind wane and wet and dry bulb thermometers. CDs related to different topics are also kept in the lab. Geography laboratories specialize in the development of qualitative and quantitative research skills in College with exclusive Arc GIS 10.5 Software for doing geospatial analysis, cartography, Google/satellite imaging, toposheets, geo-referencing, digitization, interpretation and mapping.

Psychology Laboratory: The College has a psychological laboratory to train student-teachers in various psychological assessment techniques and acquaint them with the concept of standardized tests. The laboratory is equipped with different apparatus for conducting different psychological experiments.

Fine Arts Laboratory: Fine Art laboratory gives hands-on training to the students in disciplines of Painting, Sculpture and Applied Art at the undergraduate level. It facilitates the students to do their practical work in an efficient manner by providing all kinds of facilities.

Defence and Strategic Studies Laboratory: With a capacity to accommodate 15-25 students, this laboratory is used for conducting experiments and exercises related to different types of maps; depiction of strategic battles with the help of sketches and map reading exercises with the help of sketch models.

All these well-furnished and spacious laboratories have extended working hours enabling students to work late hours.

VI. MUSIC ROOM

The music room is equipped with a wide range of instruments to facilitate the students in their practical work and hence equip them with skills of better co-ordination with different instruments. The students learn vocal and instrumental music and get a chance to perform at various College and inter-College functions.

CONCLUDING MOMENTS

I shall be failing in my duty, if I do not express my indebtedness to all who in their own way have helped in raising the institution where it stands today, especially the unrelenting guidance and support of Chandigarh Administration, in bringing about major changes in the expansion of infrastructure facilities of our institute.

I congratulate all the prize winners. I am sure that our collective endeavour shall take our College to greater heights in serving the society in a meaningful and positive manner.

My wholehearted thanks to all parents and alumni who have been in touch with us during the year and their valuable suggestions helped us to improve. I shall look forward to your continued support in the near future.

Thank You.
