NATIONAL SERVICE SCHEME(NSS)

National Service Scheme (NSS) aims to develop a sense of social responsibility and community engagement among college students while they pursue their education. It provides a platform for students to participate in community service, bridging the gap between academic learning and real-world challenges.

The NSS was initiated to address the disconnect between educated youth and the larger sections of society, especially those living in villages, slums, and underprivileged communities. While the youth are expected to take on leadership roles in society, many remain unaware of the hardships faced by a large portion of the population.

Through NSS, students:

- Cultivate a spirit of volunteerism and leadership
- Engage in meaningful social development work
- Understand grassroots problems and contribute toward their solutions
- Participate in cleanliness drives, plantation programs, awareness campaigns, and health camps

NATIONAL SERVICE SCHEME(NSS)

Key Highlights:

- Total volunteers per year: 400
- Admission: First-come, first-served basis
- Number of active NSS units in the college: 4
- Activities are conducted under the guidance of dedicated faculty and community leaders.

Motto: **"Not Me, But You"**

This powerful motto reflects the selfless spirit of the NSS and echoes the Gandhian philosophy of service to others before self. The ideology of NSS aligns with the vision of Mahatma Gandhi, focusing on character-building through service.

By being part of NSS, students gain life-changing experiences that go beyond the classroom—building empathy, responsibility, and a lasting connection with society.

NATIONAL CADET CORPS(NCC)

NCC - NAVAL WING

- ❖ National Cadet Corps (Naval wing) engages in grooming the college youth into disciplined and patriotic citizens.
- ❖ **“Unity and Discipline”** is a motto for NCC.
